

Privacy Statement

At **storyworks 42**, we prioritize your privacy and data security. Our application is designed as an **offline tool**, ensuring that your data remains entirely under your control.

- We **do not store, track, or save** any data that you input into the application.
- Since our application operates **offline**, there is **no active data exchange** with external servers, eliminating any risk of data leakage.
- Any training materials provided are solely for training purpose and does not require solicitation of user input data.
- We only capture user activity on the website to enhance user experience and ensure a continued journey each time to login back.

Your privacy is our commitment. If you have any questions, feel free to reach out to us through the support section.
